TECHTIME MEDIA-KIT 2021

Techtime News is an online Electronics Industry magazine published in Israel. Our readers include design engineers, managers, entrepreneurs, business & corporate management and decision makers in the local Electronics Industry. Through our website and newsletter, we reach approximately 30, 000 readers and 75,000 page views per month from the local community of the Electronics Industry.

Techtime is a perfect vehicle to reach the Israeli market!

Your advertisement program includes:

- Your preferred banner in our homepages and all inner pages
- Editorial coverage and Interviews with key personnel
- Product announcements
- Promoting seminars and events in the website and our weekly newsletter
- Publishing your professional articles and/or white papers
- Keeping your digital shadow: Posts will never be removed from our websites and continue to attract readers long after they are published.

The screenshot shows the TechTime website interface. At the top is the TechTime logo and navigation menu. Below the menu, there are three news articles. The first article is titled 'SolarEdge to Mass produce full EV Powertrains' and features an image of two EV powertrain units. The second article is titled 'Elbit Systems to Acquire Spartan' and features an image of a military vessel. The third article is titled 'RADA Expects 60% Revenues Growth' and features an image of a military vehicle.
